REMARKS

Applicant respectfully traverses and requests reconsideration.

Applicants wish to thank the Examiner for the Notice that Claims 1, 5-8, 10-15, 15-17,

20-22 and 28 are allowed.

Remaining claims 23, 25 and 26 stand rejected under 35 U.S.C. §101 as allegedly being

directed to a non-statutory subject matter. The office action has alleged that the claimed web

certificate system encompasses software only. Applicants respectfully traverse and submit that

the web browser as claimed is structure that executes web browser software. A web server can

be an entity that serves as a web server and a web certificate update controller may be an entity

that serves as a web certificate update controller as described in this specification. In an effort to

expedite prosecution, applicants have amended their claim to include inherent subject matter.

Applicants respectfully submit that the terms as originally filed were statutory.

Applicant respectfully submits that the claims are in condition for allowance and that a

timely Notice of Allowance be issued in this case. The Examiner is invited to contact the

below-listed attorney if the Examiner believes that a telephone conference will advance the

prosecution of this application.

Respectfully submitted,

Date: June 24, 2008
